If the Lane gals are around Thanksgiving weekend, I will take them to lunch. If not then maybe over the holidays. They are such nice girls.  
How was your meeting at Global?

Safe journey to Plano

I went to the bank today and privately made the deposit (big gulp OMG) with the branch manager in her office. Arrangements are made to purchase the HPY stock as soon as the out of state check clears. I am following your advice to the letter and keeping the amount you suggested in a saving account for now. I have never felt so free from stress and worry (that stuff you don't believe in LOL) in my entire life. Saying thank you is not enough but I am not sure what else to say.

Can't wait for Saturday. Dinner with Corrie and gang and then a football game with everyone and dinner with those who are staying overnight in Chicago. It is going to be a GREAT WEEKEND followed by Thanksgiving with your family....H and the chef, your sister Kathy Saturday and seeing Emmalee and her big smile after all this time. And of course Kelly, Frank and Frances. So much fun to look forward to!!!

Off to Pilates at the Heartland customers spa and then home to unpack and have some soup.

Subject: Monday morning thoughts as we begin to enjoy the Thanksgiving Season!

After a super fun month of secretly planning with Holly and Corrie, this weekend's birthday celebration for you could not have gone any better (except Ryan's flight being cancelled :((( and missing the dinner ) ! It was so much fun to be a part of the festivities.

Now as we begin Thanksgiving week and take time to remember who and what we are thankful for, I am struck with the thought that I could help plan millions of birthday celebrations for you and it would still not be enough to thank you for all you have brought to me including your unbelievable act of kindness last weekend that continues to stun me. I am not sure if I have processed it yet

Bob every day and night with you is a precious gift whether we are doing something fun or nothing at all. You make me smile and laugh out loud and so happy. I am also overwhelmed with your generosity. There are no words out there that convey the depth of my gratitude for your surprise gift last weekend. After a lifetime of ups and downs and hard work, for the first time ever I feel a sense of relief knowing that I have some security. I will treat your gift with respect and not squander a penny but rather I have done exactly what you recommended I do with it and made you the beneficiary of the account. Knowing that nest egg it is there has taken the weight of the world off my shoulders especially now as I have brought better numbers together this year to bring to the M&A market. I told Sam and Harry last week I want to get the new valuation and make decisions on what to do for a sale. I have some ideas that I will ask your advice for as soon as I know our value in today's market.

A simple thank you for that gift and then many other gifts of time and love you have brought to me will never be enough. Just know that in return I give my love and heart and deep respect.

I am glad it was a great birthday for a great guy . I just know Thanksgiving will be even greater with Emmalee returning and Holly and John arriving and even Kathleen visiting not to mention watching Kelly's new found happiness. There is so much to be thankful for this Thanksgiving week and every week. I love you. Safe journey home. I can't wait to see you tomorrow afternoon Ps. Ben just texted the grocery list John sent has been purchases.

xoxoxo
